UTLL
Developer = Hzq Games
Publisher = Hzq Games

On Steam (Windows 10-64 bit).

Conflict broke out in the military unit.
UTLL was split into two after the conflict.
UTLL UT and LL are now. Was that a betrayal ?
Whose side are you on ?
Tactical - Hardcore and Realistic Shooter.
UTLL.
Host game or join game and capture the bombs !
İf you can not capture the bombs, desert city will be destroyed.
Find the weapons and their bullets.
Be careful for the yellow zone.
And be careful for the cloak soldiers.
Fight day and night.
Also, use the map well.
