Alice's Mom's Rescue

The giant raven has captured Alice's mother.
Help Alice save her mother through the 3 worlds and 25 levels!
Change Alice's height by jumping on the magic mushrooms to get through the tiny spaces.
But be aware that a small size will also affect Alice's physical abilities!
Solve puzzles, beware of the evil cats, birds, bats & spikes, and find the right path to victory.

How to Play:
During the main menu intro you can press the "Return" key to skip the intro.
In the main menu you can use your mouse to click on the menu buttons,
or use your keyboard up and down keys to navigate in the menu.
Press the "Return" key to validate, or press the "Escape" key to exit the game.

In the game, use the left and right keys to move Alice to the left or to the right.
Use the "Spacebar" key to jump, the longer you hold down the "Spacebar" key, the higher Alice will jump.
Use the "Return" key to enter the game menu, use your mouse or the keyboard arrows to navigate in the menu,
press the "Spacebar" key to validate, or the "Return" key to exit the menu.

Note: Your progress through the game is automatically saved after the end of each level.

Perfect mode:
Collect all the diamonds from a level to get a "Perfect!".
If you finish all the 25 levels of the game in "Perfect", you will unlock a special "Perfect" mode
that will allow you to skip any level you want (Option available in the menu).
