

Amelia Sweet – Catching Moments Lyrics

(Official Lyrics PDF)

We spent our summer days running
You led me towards the light
Each other we'd be comforting
And I'll always be by your side

Towards the light
A golden horizon
It's finally in sight
We can make it if we run
When we're rushing
Time is forever
Comfort is coming
Only together

We are...

Merely catching moments
To capture lost memories
Holding on to a promise
Our kinship became our remedy

By your side, that's where I'll be
'Cause you know what I've been through
You're the light that surrounds me
I'll keep chasing after you
Towards the light

A golden horizon
It's finally in sight
We can make it if we run
When we're rushing
Time is forever
Comfort is coming
Only together

We are...

Merely catching moments
To capture lost memories
Holding on to a promise
Our kinship became our remedy
Merely catching moments
To capture lost memories
Holding on to a promise
Our kinship became our serenity

The years, they keep coming
And I'm so scared to be alone
But I know that you'll be there
Taking my hand, leading me home

Merely catching moments
To capture lost memories
Holding on to a promise
Our kinship became our remedy

Oh!
Merely catching moments
To capture lost memories
Holding on to a promise
Our kinship became our serenity

Catching Moments is a song written by the main character and Amelia Sweet in Daring Academy, composed and written by Saddle Studios and Thediamondcrystal and sung by Zoemaria44. This is a song written when they were 13-14 years old, and is about their friendship, how it is still going strong even after many years of support, care and such.
