- 8 Q. How do I recover my stamina/health/aura?

Answer: The "Meditation Altar" in the "Xianyun Library" in the city / Go to the big restaurant in the "Jingbao Pavilion" to "eat and drink/Stay in the light in the wild (the combat state is not restored)/A part of the experience notes can be recovered every time you write successfully/

- 9 Q. How do I check my level?

Answer: The "V" key , below the name

Mouse placement can show an introduction to the properties:

10 Q. NPCs go through the wall and go to the problem

Answer: NPCs will go through walls, click on NPCs, and NPCs will come over

11 Q. Achievements in the Hall of Honor could not be found.

A: After collection, all items will be mailed to the post office and collected by mail. (Delete the email after receiving it, and it is not recommended to delete the items if you do not receive them)

12 Q. Is the term in the Lingshi loan order 10 hours in real life?

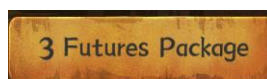

A: That's right, it's 10 hours in real life. (for hang-up~)

13 Q. Westward doesn't want to draw cards on its own

Answer: The upper right corner can choose to draw cards automatically, the speed of the game can not change, this game does not want to play can go to the owner room to reset, restart.

14 Q. There is no data map on the trading floor.

A: Go to the lobby, 3 transaction consultations, buy a package.

15 Q. How to do the light source task

Answer: After depositing the full amount of spirit stones in the bank, you can buy a light source (it is recommended to buy the cheapest candle), it is recommended to buy a light source, and after buying a light source, right-click next to "Know-it-all" to use the Place light source.

16 Q: How to eat consumables such as pills?

Answer: Put the item into the backpack and right-click to use it; Or drag it to the inventory slot below and press the shortcut key to use it.

Consumables placed in the "V Equipment" column are only counted as goods, and cannot be eaten (used)

17 Question: The experience bar is full of several rounds, and it is still level zero.

Answer: The written experience notes can only be upgraded when they are handed over to the Chivalry Alliance

(choose whether to upgrade or not)

18 Q: Why does it require a level to equip an axe to chop trees?

A: The higher the grade/quality of the collection tool, the more efficient it is, so the level limit is set.

19 Q: Where is the place to sell storage bags / how to enlarge the backpack?

Answer: Players can already equip four backpacks (backpack coins),

each

with a space of 4-24 slots.  Adjustable backpack arrangement.

Backpacks can be purchased at the "Post Office" bag store or customized/auctioned, and sometimes backpacks can be randomly dropped out of the backpack/in the wild

20 Q: How do I sell to NPCs?

Answer: NPCs have two dialogs: Buy/Sell, and the blank ones are sold to NPCs. "B" KEY to open the backpack, drag, (Note: Drag in is for sale.) To get it back is to buy it back. Also, items in the equipment slot need to be put back into the Lane Backpack before they can be sold.

21 Q: How to increase the limit of Lingshi wallet?

A: Bank, lobby, there is an introduction. Apply for the Lingshi wallet limit

22 Q: What should I do if I am wanted and locked up?

Answer: Choose to hang up in the early stage hahaha. / Or find a prisoner to bet on time, just like the flying Dutchman of Pirates of the Caribbean~ In the middle of the game, you can go to the dungeon to venture in exchange for nuts to reduce the sentence. Note: It is not recommended to forcibly change cities, change city reputation to -50, if you want to leave the original hometown, you need to provide resources to the original city in exchange for a chance to break away before you can join the new city. (When you choose to join a city, there is a prompt in the interface) because there is a bonus in the hometown. You can choose to change the city instead of your hometown.

The time of the prison will be adjusted in the next version.

23 Q: How to get nuts?

- (1) Kill a wanted criminal
- (2) Obtained from dungeons.
- (3) Obtain bamboo fruit coins

The dungeon class in the prison is permanently activated, and can be used by activating all other saves once. [For mid-term gameplay, you need to have the ability to kill wanted criminals to get the initial nuts, so you can get nuts from dungeons, and then use nuts to unlock other classes.] **】**

24 Q: Where can I buy luck potions?

A: There may be (random)/wild drops/auctions at the Southside Store

25 Question: Can lottery chips be exchanged for spirit stones?

A: The two currencies are interchangeable. There is a quota limit, and the quota will be refreshed every month.

Spirit Stone for Color Chips: Chamber of Commerce

Lottery for Spirit Stones: Banks

26 Q: Is there a way to integrate backpacks? There are too many white spaces.

Answer: There is no way to integrate backpacks, just wait until you find multiple slots of backpacks, up to 24 slots.

Click on the red color in the middle of the backpack  to change its shape and drag it to move it.

27 Q: How is the game experience?

Answer: The handle is enough to play, and there is no relevant matching. Only on PC.

28 Q: I don't know what to do after entering the game? How to play?

A: I really don't know what to do, so I just follow the "interactive" option of the know-it-all, step by step, which is an initial tutorial. Get acquainted with the game.

After that, just watch and play by yourself, there is nothing mandatory to do.

There are those that specialize in playing in town. There are professional junglers who keep killing monsters outside. There are hang-ups that buy low and sell high. There are hoarding props. There are also those who slaughter the city, and there are those who specialize in playing prison dungeons~~

The main reason is that the developer himself doesn't like to play games with too strong plots, and likes a high degree of freedom. So let's do whatever you want~

29 Q. Can't find someone to deliver a package?

Answer: Ask someone near you, I really don't know, go to the jack of all trades, he knows all the NPC locations.

30 Q. The NPC ran through the wall???

Answer: Select the NPC to click on him, greet him, point to him, spur him to come back quickly, and he will wear it

back~~

31 Q. The quest asks the NPC, and he will only tell who to give it to when he finishes the quest, but not where to get these items?

Answer: The logic of designing this task is: someone puts out the demand, and the person receiving the task has to have this thing, or knows this thing before accepting this task, which is equivalent to the real world, someone hires a chef, and the candidate who can't cook just leaves.

32 Q. Will there be a Workshop in the future?

A: Wait until I learn. Hahaha, I don't have a concept yet...

33 Q: Where can I buy ice cream?

Answer: Two conditions are met: (1) Find the material: elemental sugar paste (stone beater) + crushed ice (buy from the kitchen god)

(2) Find the recipe and find the "cooking master" to make it~

34 Q: Can't be equipped or used?

A: Level restrictions. Note: All weapons can be used as long as they meet the attribute requirements, and the level is not met~

35 Q: Where is the trading hall?

Answer: Lingshi Bank has a trading hall.

36 Q: How to sell the things in the warehouse? How to exchange the goods in the warehouse for lottery tickets?

A: Next door (1) Trade Hall (2) President's Office.

Go to the trade hall and find the sale of this goods, and then set a price and sell it. Or go to the president's room next door and sell it randomly.

37 Q: Does the character walk slowly?

Answer: When creating a character, adjust the movement speed.

38 Q: How do I get Trial Coins?

Answer: Obtained after playing the Trial mission at the Auction House/Hall of Eternal Life. Hit the Land of Trials once, and then the know-it-all will give you one of these coins.

Note: The Battlefield of Trials is a game of life and death. Can't go back. Cannot be resurrected to permanent death. So prepare martial arts spell cards, potions, etc., before you go in, and bring your things before you go. If you feel that you can't beat it, you will summon the previous file. Join the battle.

Through the Trial, you can get Trial Coins.

39 Q: What is the Lingshi wallet limit?

Answer: The number of spirit stones that can be placed in the backpack is equivalent to if you go to the bank to withdraw money, you can only withdraw so much money, and you can't put it in the backpack haha. The wallet limit is a 30% increase each time. It will be faster and faster.

40 Q: How do I get out of the cave?

Answer: It's strange to clear all the current layers, there is a hole to leave/Knock down the top pillars through the cave/If you can't beat it, you can run, reduce your life and go back to the city haha.

16 is the number of monsters remaining. The depth is 01 floors, and the cave is generally between 3 and 20 floors. The deeper the layer. The more treasures you end up.

41 Question: Are martial arts spell cards weapons? How to use it?

A: Equivalent to a one-time skill. Place the inventory shortcut below to activate or right-click.

The skills in the game are not one-time skills, but they are equipped with the row of buttons at the bottom left of the screen. There is a skill button in it. Equipment equipped on the body provides skills.

42 Q: Does this game have a map for sale, or can you only rely on the general location of the teleportation array to find the town?

Answer: There is currently no map for sale. Press the "Tab" key to open the large map, use the mouse wheel to zoom in and out, and search in the direction indicated by the ? icon. There is a chance you will find a city, and using coins will help guide your direction.

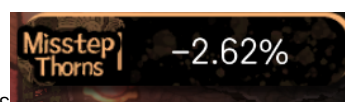

43 Question: What level is full?

Answer: If you have a full rank, you will have 10 levels.

44 Question: Why did you fight monsters and hurt yourself to death?

Answer: The anti-damage is because equipping multiple weapons also has the anti-damage effect. Don't forget to take a look before equipping.

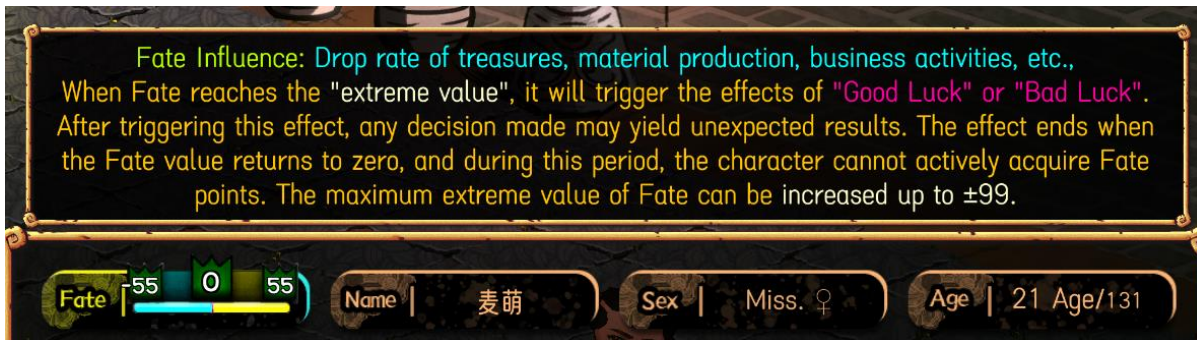

The overall anti-damage V key can be viewed in the properties

45 Q: What is the reason for "mistakes and backlash"?

Answer: The backlash is too high. Remove a weapon or reduce damage retaliation.

46 Question: What should I do if I am riddled with bad luck?

Answer: Haha, don't panic~ drink luck medicine. Or trigger a luck event.

47 Q: Is there an auto-archive? Cloud Archive?

A: There is no one in the current version. There may be follow-ups. Note: Do not force quit

48 Q: Should I make a commission first when I first enter the city?

A: There are also things that can be done by commissioning. Swap it out to help residents with the task, it's simple.

49: Reputation will be deducted if the package delivery task fails? What's the downside? How to improve?

Answer: If the reputation is too low, it will become a sin value. will be wanted. Every time you reach an honor/do a mission/send a package/donate food to the granary/kill a wanted criminal. Upon completion, it will increase reputation

50 Q: Is this status not effective?

Answer: The number of equipment levels that can be used is not red. For example, the active state of the equipment

is bright color , not the current color

51 Q: What is grit used for?

A: There are missions and cities that need this resource. Nothing else worked

52 Q: This skill is used. Is it just gone? Equipment use disappears.

Answer: Use the equipment body directly. It's a one-off. Equip to the body. Drag and drop from the skill slot to use. It's recycled. Equip it in the taskbar, and then press C to drag the skill into it, and the inventory will disappear directly after using the equipment for one-time use.

53 Q: How do I get a lottery ticket?

Answer: Go to the Chamber of Commerce to do trade, if there is no lottery chips. Let's go to the bank to speculate on futures first. Futures are not sold when they expire. It becomes the goods transported to the Chamber of Commerce. It became the cargo.

If you're lucky, you can earn a little by opening treasure chests~ You can also buy some from NPCs.

54 Q: How do I pick up the dungeon quest? How to do wanted missions?

Answer: There are no quests for dungeons. The dungeon activation is only possible if you kill a Wanted, as you will only get the nuts for the first time if you kill the Wanted.

55 Q: Are the opening three coins a one-time or a CD permanent item?

Answer: Permanent items

56 Q: Does the opening have a special meaning?

A: It doesn't mean anything special. If you want the city to be denser, choose a green bar high. This is a percentage display. The root planet size is irrelevant.

57 Q: Is more arrows better?

A: Yes

58 Q: Is it possible to write an experience book beyond a certain point, or do you have to wait for a certain percentage to write it before you can get a high-level experience book?

A: The excess just doesn't waste extra experience. Writing notes for more advanced experience is related to the upper limit of experience value.

59 Q: Where are the pebbles?

Answer: What about the water ~ TAB big map, looking for water.

60 Question: How do you go back to the city in the wilderness? Can't find a jack of all trades?

Answer: In the field, the TAB key opens the big map, finds the city and rushes over, finds the guard, guides, and knows everything.

61 Question: Is there a ghost fire every night? So many newbies can't play at all...

Answer: There will be ghost fire every night after level 1, and you can use the item "Tinder" dropped by the ghost

fire to clear the ghost fire.

62 Q: Is there a warehouse when the backpack is full?

Answer: There is a safe in the bank, an extra backpack, and the right click can expand the bank safe ~ refresh and expand the number of times per year.

63 Q: How big is 1 block in the quest to explore the dungeon?

Answer: 200 grids.

64 Q: Is the dungeon's monster novice easy to fight? Random blame? Affected by luck?

A: The root player level is irrelevant. It has nothing to do with anything. It's just a standalone game. It is specially designed for players who have risen to the middle and late stages to change their gameplay.

Answer: (1) Go to the Chivalry Alliance and get the elixir. After receiving it, go to the post office to pick it up with the letter (2) The north side of the Danfang also sells attribute pills

69 Q: What should I do if I encounter a very high-level wanted criminal entering the city?

Answer: Turn around and run, NPCs can't beat him, it depends on your escape speed. Abandon the city and flee, maybe you can still survive.

70 Q: Does the money in the bank have to be withdrawn and brought to the wallet before it can be used?

A: Yes.

71 Question: When you open the map, there will be a guide line, isn't this a guide to another city?

A: The guide is a new city or a secret place. The secret realm is a secret realm of resources, and it is recommended to bring tools to it.

72 Q: Why do some civilians fight on their own?

A: Well, if it doesn't like it, it starts fighting. Generally can't be killed. You can watch the excitement, protect yourself and eat melons on the spot, and maybe you can pick up something in the end, of course, you can also join each other~

73 Q: How do you use a field portal? How to recharge?

Answer: If you want to go back to the city, you should have at least 500 spirit stones. If you want to teleport randomly, you can throw in the ghostfire hedroon.

74 Q: Do I have to go to jail if I give up my trust?

Answer: To be honest, haha, give up the entrustment and deduct the prestige value. If your reputation is low, you will be wanted, confess to the law, and go to jail.

75 Question: What is the situation that the spirit stone is not enough in the martial arts field, I have spirit stones?

Answer: The competition field needs to save spirit stones, that is, put spirit stones into the bank.

76 Q: What is the use of the ring given at the beginning?

Answer: Equipment without attributes can be combined with other equipment to form a set effect. Wearing all types of equipment will provide a set effect. This ring has no attributes though. It's a placeholder.

Question 77: It's that the NPC has too little money in their hands. Are NPCs too poor?

A: If you have a large number of items to sell, you can sell them to the receiver of the Treasure Pavilion. If you just want to find NPCs, go to the South City to find merchants, they have more money.

78 Q: Is it okay for me to quit the game when I borrowed the spirit stone?

A: Not really.

79 Q: How can I run faster and load faster?

Answer: The primary run is fast, the movement speed of the roll attribute should be three stars, there are skills in the middle stage, and various attribute buffs are blessed. Don't worry. I can't load faster.

80 Q: Can these attributes be increased the day after tomorrow?

A: Yes.

81 Question: How much is the prayer pool?

A: Not important. There are those sold in the game.

83 Q: There were originally 20 items in the task, if you gave 99 items, he would take all of them and not return more to you?

Answer: Yes, yes, yes~ It's all like this~ There is no charge for making food. Excess material replaced. Making wood is also ~

84 Question: What is the matter if things can't be thrown into the well? Inherit the ancient well

Answer: You need to pay a certain amount of spirit stones. Drag and drop the prop onto the well/shift+right-click. If you want to inherit something, you need to drag it into this inheritance ancient well, and then, it will prompt how many spirit stones you need to consume, and then put in so many spirit stones (spirit stone withdrawal, item spirit stone), and the point inheritance will be successful.

If you click to abandon the legacy, click the right mouse button to retrieve it. Don't × fork off.
