

ReadMe v.0.1 - Welcome to SAE!

1. Game Description

SAE takes you to a dreamlike yet perilous tropical island chain in the South Pacific. Survive the natural perils, gather resources, and find your way back to civilization.

2. Features

- Challenging Survival Elements: Find food, secure water sources, and build shelter to withstand the elements and wild animals.
- Explore a Captivating Island: Dive into a stunning open game world, ranging from dense jungles to sandy beaches.
- Resource Management: Collect and utilize various resources to craft weapons, tools, and defensive structures.
- Many more...

3. System Requirements

Minimum System Requirements:

Operating System: Windows 7

Processor: 4-Core CPU 2GHz
