

“Summer Suki”

「夏のすき」

Suki is the cute girl who works at your regular café. You were able to get her contact info... somehow. What's your first message?

Bored and all alone in the house, exchange messages with her and keep her entertained all summer long. If your texting game is good, maybe you could convince her to meet outside of work. Experience with Suki a "slice of life" story set in Kyushu, Japan!

Preface

Thank you for purchasing "Summer Suki - Chat Messaging Game"! Your support helps us produce more games!

Please help keep our games inexpensive and DRM free by only downloading from our official vendors and not pirating!

♥ Suki
