Gameplay

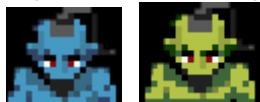

Game objectives

In Feline Realms – The Ancients' Legacy, your mission is to defeat the 6 antagonists of Felis Prime VII and collect relics to close the star gate for a thousand years.

It's easier said than done, because it's not your field, and you are literally confused.

The Djinnns support you as do some local felines legends.

-Djinn and his handy man.

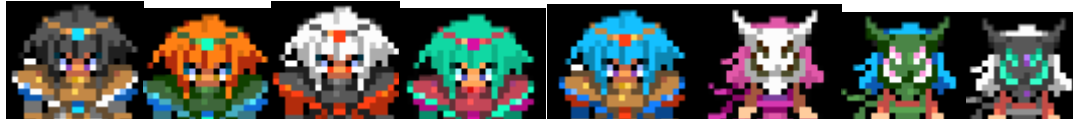

= Master CatteNippe, he lives on school grounds.

= Master CoupDeTete, he lives northwest of the great Temples.

The "Ancients" connect the dimension of Djinn to that of Earth and other realms.
