are published anually by Sunset City Public Service.
This guide may contain paid advertising.

Youth Employment Program Y.E.P.

WARNING

ALL CHARACTERS AND EVENTS IN THIS GAME – EVEN THOSE BASED ON REAL PEOPLE – ARE ENTIRELY FICTIONAL. ALL CELEBRITY VOICES ARE IMPERSONATED... POORLY.
THE FOLLOWING INDIE GAME REPRESENTS A PARODY OF A NEAR DISTOPYAN FUTURE CREATED FOR ENTERTAINMENT PURPOSES ONLY AND DUE TO ITS CONTENT IT SHOULD NOT BE PLAYED BY ANYONE.

Health recommendations

Try to rest for about 15 minutes for every hour you play.

Do not play if you are very tired or have had little sleep.

Always play in well-lit rooms and stay as far away from the screen as the cable allows. Under normal conditions, some people may experience seizures when exposed to flashing lights or shapes of light, making them susceptible to seizures while watching television or playing video games.

Even players who have never suffered from epileptic seizures may suffer from epilepsy without knowing it. Consult your doctor before using a video game if you suffer from epilepsy or if you experience dizziness, blurred vision, muscle spasms or other involuntary movements, disorientation, confusion, or seizures.

About PEGI

PEGI provides age classifications for video games in 38 European countries. The age rating confirms that the game content is appropriate for players of certain age. PEGI considers the age suitability of a game, not the level of difficulty.

PEGI will allow parents and buyers to choose those games that best suit the age of the player.
Visit http://www.pegi.info for more information.

ADVERTISING

PAID ADVERTISING

Missing Pac: Pandemic Adventure contains In-Game Advertising. Billboard ads, and other rich media ads may be displayed during gameplay.

Advertisers were important financial contributors to the development of this product.

Without them, this videogame would not exist.

In-Game Advertising will not affect or interrupt users gameplay in any way.
