Move Piece: A / D Or Arrow Keys

Rotate Piece: W Or Up Arrow

Hold Piece: E

Hard Drop: Spacebar

SAVING

RESONANT utilizes an **auto-save system**. Your progress is saved automatically at critical checkpoints (e.g., level transitions or major story events). Manual saving is not required.

SPRACHE & AUDIO

The game features full English voice-acting. Subtitles for other languages can be enabled in the settings menu.

Figuring out special mechanics (hovering to use flashlight) or how to acquire quests in your cyberpunk apartment are part of the puzzle mechanics.
