Getting Started
- The Odyssey -

(Look = Eye cursor, Use = Hand cursor)
Watch the intro (or skip it).

BEACH
Get wood from middle.
Get mud from the left.
Use the arrow to get in.

CAVE
Get double axe from the top.
Put wood from inventory in oven.
Get flint stones from the wall (At the left of the light beams)
Go out.

BEACH
Get wood from middle.
Use double axe with tall wood branch in the middle. (On the right tree) The axe breaks.
Get stick from tree on the left (A small stick on the felt of the left tree near the roots)
Use stick with broken axe. You replace the handle.
Use double axe with tall wood branch in the middle. You get 2 tall woods.
Use double axe with wood branch on the left tree. (right branch near the roots)
Use double axe with all the trees. (You get most of them)

CAVE
Use flint stones with wood in the oven. You light a fire.
Talk with 'Calypso' about the raft. She tells you what you need.
Put mud in the stone pot.
Use stone pot, make a dinner pot.

BEACH
Get mud from the left.
Get grapes from the top.

CAVE
Put mud in the stone pot.
Use stone pot, make a water pot.
Do the same as above, make another water pot.
Use dinner pot with food on the table. You get it.
Talk to 'Calypso' about the loom and about the shuttle. She gives you one.
Use loom, press the left lever.

Use loom, press the right lever.
Use loom, press the left petal.
Use loom shuttle on loom.
Use loom chair, finish the sail.
Get the finished sail.
Get the protective wood bars from the loom. (click on the protective bars)
Use double axe with vines on the top left on the wall. You get them.
Use vines with ambrosia on the table, you make rope.
Use grapes with water pot in inventory. You put them in.
Use grapes - pot with Calypso, she makes it wine.
Show wood logs to Calypso, she tells you how to do it.

BEACH
Use double axe with sand in the middle. You dig some holes.
Use logs in holes, you make the base.
Use logs on logs, you make the raft.
Use tall wood on raft.
Use sail in raft.
Use protective bars on raft.
Use rope with sticks in the inventory. You make a trunk.
Use rope on raft.
Use trunk on raft.
Use empty water pot on water, you fill it clean water.
Put food on raft.
Put water on raft.
Put wine on raft.

CAVE
Say goodbye to Calypso.

BEACH
Use raft. You sail!

ON RAFT
Hurry, eat food.
Drink wine, he is ok now.
Use ropes on the right side, tighten the rope very much.
Use ropes on the left side, tighten the rope a little. The sail fills.
You don't know where to go.
Use Calypso island, wonder if Calypso is going to help you like she promised. You get a fish.
Get fish.
Throw fish on sea, a bird takes it.
Talk to bid (a goddess) and ask about where to go.
Use stirring wheel. It breaks.
Look at crack in wood on the left side protective bars. (Where the rope is tied a little to the

right)
Use wood crack, kick the wood bar. It breaks and you get it.
Use wood with stirring wheel, you fix it.
Use stirring wheel, the bird goddess give you 14 stones with symbols.

NIGHT SKY
You can turn the sky wherever you want. The raft will do a 360 degrees turn and see the same sky again.
Use the stone with the a man holding a spear and his hand near the mouth on the raft, you see the star symbols. It's the constellation 'Boots'.
See the constellation 'Boots' shape (on the inventory stone) and find it on the night sky.
Use the stone on this place on the night sky. The constellation 'Boots' appear.
Use constellation, go there.

See the story (or skip it)
Poseidon is angry and destroys you raft. You scuttle on an island.

RIVER:
You sleep behind a bush and see some girls play with a ball.
Get rocks from your feet.
Throw rock on the ball, it goes in the river. You introduce yourself and offer to help.
You have to fix their wagon wheel and get the ball for them to offer you clean clothes.
Get stick from tree just above the right side of the bridge. (its the branch on the right side of the tree near the roots)
Get the two short logs near the statue.
Go to the left.

OUTSIDE THE CITY:
The guard does not let you go in the city because he thinks you are a beggar.
Take the stick in the bush (bottom) when the guard is looking at the other side.
Go back.

RIVER:
Get the small stone in the middle of the bridge. Its pointy.
Put short logs on the wagon.
Use short stick from inventory to the blade stuck in the tree root on the top right, you loosen it.
Use stone on blade stuck in the tree root, you get it.
Use blade on wagon wheel, you get it.
Get small sticks from the ground near the river side with the orange flowers.
Put these sticks inside the burning wood, now it's ready to catch fire.
Take glass bowl hidden in the flowers. (Top left side under the trees near some flowers)
Put water in bowl.
Use bowl with wood. Like a magnifying glass, wood catches fire.
Put broken wheel in fire, it becomes red.

Put broken blade on wheel, you fix it.
Use tall stick to get burning wheel.
Use tall stick-with wheel on river, it cools off.
Use fixed wheel on wagon.
Put pointy rock on wagon wheel to stick it there, ready.
Use tall stick with ball in river, you get it.
Talk with Nausika. The one in the right, they keep their promise and wash you and give you clean clothes. You become good as new.
Go left.

OUTSIDE THE CITY:
Talk to guard, he lets you in.
Talk to girl in the middle, its Athena disguised. She tell you to fix a special tea that will make you invisible and be able to go to the palace.
Get the food from the Poseidon statue, the worker doesn't let you.
Untie the left boat from the harbor.
Talk to worker and tell him about the boat.
You have some seconds to get the food from the Poseidon statue. If you didn't make it untie the boat again.
Use the food on you. You empty the bowl.
Give the food to the worker, he is pleased.
Get the left square wood plate on the bottom of the boat skeleton, you see a knife below it.
Get the knife.
Use fire wood, tell the worker to light the fire, ok.
Try to get the hand-bellows, the warrior doesn't let you.
Use knife on rope near the worker. You cut a piece.
Use rope on trident on statue, you tie it there.
Use rope on trident when the guard above is not looking, you move it a little.
You have some seconds until the warrior moves it back to take the hand-bellows. If you don't make it do it again.
Use knife with clean sale on the right boat when the above guard is not looking, you get a piece.
Get mint leafs from the mint on the bottom right corner near the wall.
Talk to Athena and ask her about how to get to the King.
Put mint leafs in bowl in inventory.

RIVER:
Use bowl with mint on fungus on Poseidon statue eye. You get the fungus.
Use sail piece on bowl, you put it there as a filter.
Use bowl on river, you fill it with clean water.

OUTSIDE THE CITY:
Use hand-bellows on fire.
You have some second that the fire is big to put the bowl on the fire, else you have to use the hand-bellows again.

You get the tea.
Give the tea to Athena, she makes you invisible.
You go to the palace and the King.

See the story (or skip it)
You go to the pace invisible and reach the King and his family.

…….
