

Welcome to soul-touching game, SoulSaverOnline!

Are you ready for the new experience? Here, I'm [GM] TigerB to venture with you from now on.
First, I'd like to tell you how to achieve your 1st job change. :)

■ Requirement for 1st Job change

What you need for 1st Job change? Guess....?!

Your character must be more than level 10.

Your skill bonus (obtaining before level 10) must be used in order to progress the job quest.

There is a section for skill bonus as below, if you have 18 skill points that you need to make 0 (zero) because you can't progress the job quest. Let's invest the skill bonus in your common skills and try the 1st job quest!!!!

■ 1st job change quest.

Have you decided what you want to be? If you are set to go, then find the following NPC and complete the quest

Job	Quest Name	LEVEL	Quest NPC	NPC Location
Fencer	[Fencer Job Change]	10	Blade Master	Forest of Selection
Assassin	[Assassin Job Change]	10	Shadow Enforcer	
Magic User	[Magic User Job Change]	10	Wizardry Master	
Fighter	[Fighter Job Change]	10	Fighter Pung	
Archer	[Archer Job Change]	10	Bow Master Y	

Through the 1st job change quest, you can complete the 1st job change and have your own job.

One more thing, you can learn the skills for each job from NPC.

Well, I hope you have a soulful day with SoulSaverOnline!! :D ^—^)/~♡
