

Crazy Max VR

A 3D rendered skeleton stands in a dark, rocky landscape. The skeleton is holding two axes, one in each hand, with its arms raised. The skeleton has a wide, toothy grin. The background is dark with jagged, red, splatter-like shapes and two bright white lightning bolts. The overall tone is dark and horror-themed.

Story

In the year 2008 CERN begun experimenting with the creation of black holes.

The scientists claimed that the holes were too small to grow, living only for some fractional seconds and thereby completely harmless.

The results of their measurements confirmed their expectations.

But, nobody told them that their instruments were somewhat inaccurate...

The holes lived further, spread all over the earth. Unrecognized.

In abandoned places they grew and grew.

In the year 2020 the first hole was big enough to open a door to a cruel dimension.

Mysterious creatures smelling their new prey entered the new world...

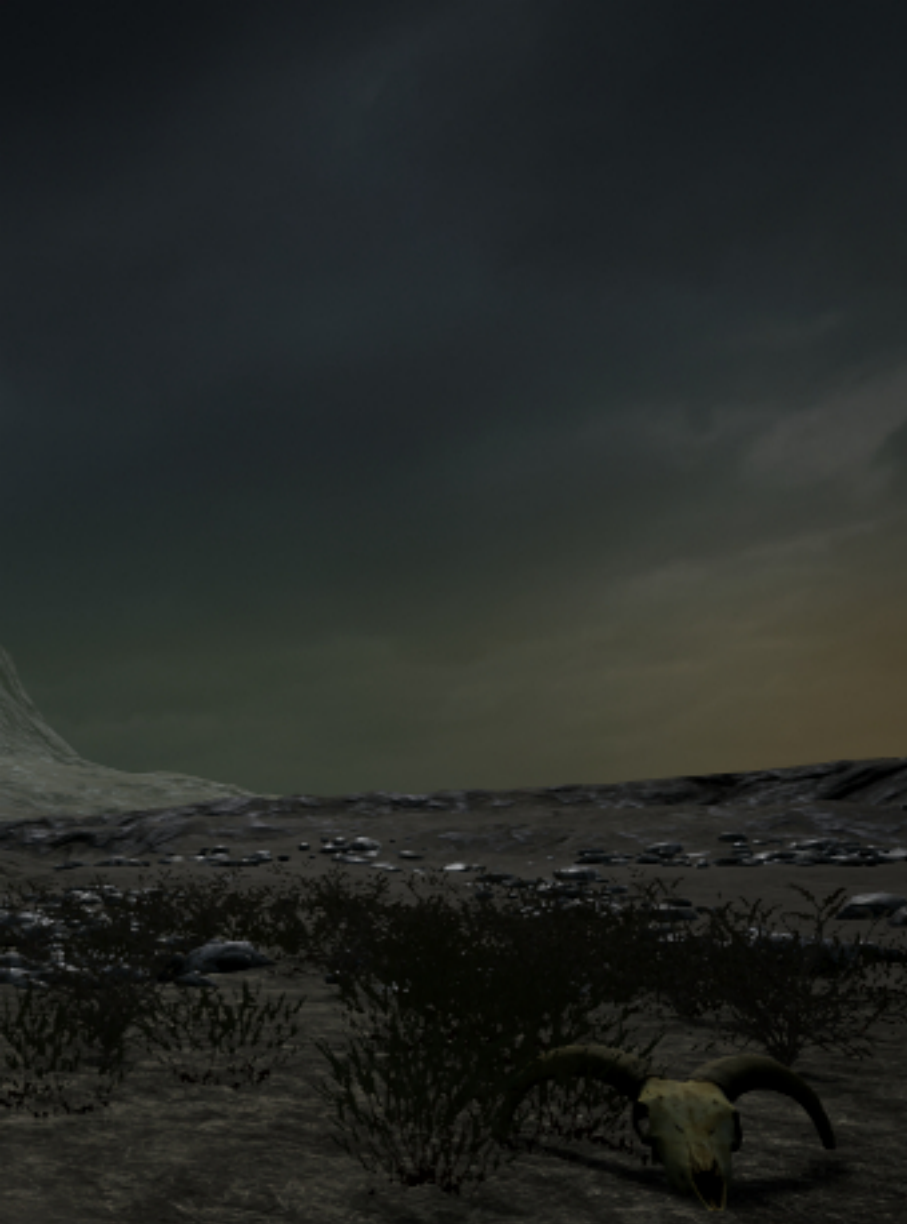

You are Max, the last hope of the mankind.

Fight back the evil stream of monsters and rescue the earth.
